

SRV 12

SRV 12

Overview

Ride with Bold Style Retro Redefined

A 125cc retro cruiser masterpiece that embodies the modern rider's spirit through pure bobber styling. With graceful, flowing body lines and chrome accents beautifully contrasted against matte finishes, it perfectly captures the collision between classic and contemporary aesthetics.

DESIGN Look

Retro Gentleman Elegant Styling

A

A. Sleek curves define the American cruiser contour

Round headlights and leather-stitched seat complement each other. Wherever you go, you're the main character.

B. Retro round LED headlight

The unique capsule-style headlight delivers better road illumination and undeniable charm.

B

C.Exquisite peanut-type fuel tank (13.5 L)

Compact and stylish, this fuel tank holds more than it shows. Say goodbye to range anxiety with a capacity of 13.5 L.

D.Retro-style aluminum alloy wheels

CST high-performance tubeless tires, exuding an extraordinary aura (16' front, 15' rear)

SRV 112

Features

V-Twin Power, Exhilarating Performance

V-twin liquid-cooled engine: Max power 10.0 kW/10,000 rpm, max torque 10.2 N·m/9,250 rpm - delivering ample power with instant response, a rich exhaust note, and a distinctive rhythm that adds character to every ride.

International 5-speed + slipper clutch: Smooth shifting and light operation, perfect for urban commuting and short trips.

Euro 5+ emissions standards: More environmentally friendly, aligned with modern riding concepts.

Maximum power

10.0kW/10000rpm

Maximum torque

10.2N·m/9250rpm

Master the Streets Beginner's Choice

166 kg Precision-Engineered Chassis
(among the lightest in its class)
When lightweight engineering meets
retro aesthetics, the SRV 12 redefines
cruiser accessibility through every
carefully calculated kilogram.
Easy to handle for both novice riders and
female riders alike.

A

B

C

A. Ergonomically Optimized Rider Triangle

Engineered to relieve lower back pressure, minimizing fatigue.

B. 700 mm friendly seat height

Thoughtfully designed low-center-of-gravity posture allows both beginners and smaller petite riders to confidently reach the ground, combining retro cruising elegance and comfort perfectly.

C. Belt drive (Optional)

Delivers smooth, whisper-quiet operation while cutting maintenance hassle. Its low-noise, lubrication-free design enhances the retro cruiser's elegant style, making every ride feel effortless and carefree.

Smooth Rides Comfort Assured

Front suspension: Telescopic fork

Rear suspension: Rear coil spring oil damping
suspension

A smoother ride on rough terrain
Low center of gravity for better
cornering control

■ Class-Leading Safety

Front and rear disc brakes with strong braking force

Dual-channel ABS come standard

Prevent wheel lock-up and side-slip, ensuring stable control during wet conditions or emergency stops. Ride with confidence and peace of mind on every journey.

Thoughtful Tech Features

A

C

A.Round color-segment LCD display

Clear and intuitive motorcycle info display.

B.Standard USB charging port

Say goodbye to charging anxiety.
